WEBER MURPHY FOX CAPABILITIES STATEMENT: HEALTH CARE

Healthcare Experience

Today's dynamic healthcare marketplace requires greater project intelligence, leadership and resources to produce successful design solutions. The WMF Healthcare team has the experience and know-how to help our clients navigate through these complex project concerns.

WMF has 30+ years experience designing and building healthcare facilities. We have two Architects and one Interior Designer with extensive healthcare experience, and they are located geographically as to allow them to provide local response to any specialized firm that needs an architect to provide rapid response and local advocacy. Project types include:

- Hospitals
- Medical Office Buildings
- Cancer Centers
- Outpatient Facilities
- Surgery Centers
- Skilled Nursing Facilities

"The Hamot Surgery Center provides an environment that includes public spaces with a human scale."

Leadership

Thomas P. Duffy, AIA

Mr. Duffy has over 35 years of national Healthcare design experience. This extensive experience is enhanced by Tom's ability to follow the project through design and construction, which delivers an integrated, cohesive project for your facility. He is a registered architect and is a member of AIA's Academy of Architecture for Health (AAH).

Jeff Lander, AIA, LEED AP

Jeff has lead a number of the firm's recent healthcare projects. He has a deep understanding of Pennsylvania Department of Health code.

Sarah Solberg, IIDA, NCIDQ

Sarah has extensive experience in designing appropriate interiors for healthcare facilities. This includes FF&E, wayfinding, and the trend from institutional to homelike environments.
